With a Plan Just For You

We work with you to develop an Individual Learning Plan (ILP). An ILP takes into account your interests, prior learning and specific learning needs. We look at your study goals, record of learning and career aspirations - and tailor a plan that will help you achieve your dreams.

He Matariki Teen Parent School

Oranga hōu timatanga hōu, new life new beginnings.
He Matariki offers a new beginning for teen parents (up to 19 years). Join us in a supportive learning environment, where a programme is designed especially for you. Come and check it out!

GET NCEA QUALIFICATIONS

Our learning programmes are designed to help you gain the qualifications you will need for the future.

Achieve Your Dreams It Starts With Free Education

Students enjoy success in small classes in a caring environment. Access to Childbirth Education classes and Parenting and Budgeting courses. Health care and social worker support is available. Fees free, it doesn't cost you anything!

GET CHILDCARE & TRANSPORT

We can provide transport to and from school. There's a great childcare centre, He Kākano, next door (WINZ subsidies available).

TAKE THE NEXT STEP

We help you with career and transition planning to assist you into work or further study.

Join Us At School And Create A Positive Future

Specialist teachers offer an engaging programme in a relaxed learning setting. Work at your own pace alongside other teen parents who understand what you're going through. We can help you with NCEA pre-level 1, levels 1, 2, 3 and University Entrance programmes. Vocational Pathways and Gateway work experience opportunities are available.

"You are given the best opportunities to achieve your goals to fulfil your dream career."

- Joanna, Student
